Presents a special showing for TVNJC of

## JEST A SECOND!

By James Sherman and *Directed by our own, Steve Rubin*

JEST A SECOND!, the sequel to BEAU JEST is a warmhearted, delightfully funny comedy about “family”. Two years have passed in the life of the Goldman family. Sarah and Bob are married and anxiously awaiting the arrival of their first child. Now Sarah’s brother, Joel, is the one with a secret that he has been keeping from their parents. This hilarious sequel brings the Goldmans back for more mistaken identity, crazy goes on, and lessons about love and family. The universal question asked is how can you make your family happy while still being true to yourself ?
